

**Seth Narsingdas Mor College of Arts & Commerce & Smt. Godavaridevi Saraf Science College, Tumsar**, run by Gondia Education Society, Gondia is a brainchild of Late Shri. Manoharbai Patel, a leading industrialist in erstwhile Bhandara district. Shri. Manoharbai Patel had a sublime vision of carving highly educated and skilled citizens out of educationally and economically backward masses in the district. This vision shaped into establishment of the **Gondia Education Society** at Gondia way back in 1957. To materialize his vision, he gathered a handful of likeminded prominent citizens of society. In the same year, the first venture was to set up a few schools together with N.M.D.College Gondia, which also functions as the head quarter of the Society. Soon, the Society grew into a massive Banyan tree of education, spread up its aerial roots far to every nook and corner of the district, and with the interest and help of a local industrialist and philanthropist,

Seth Ramnarayanji Mor, in **June, 1965**, **Seth Narsingdas Mor College** came into existence at Tumsar with Arts and Commerce faculties. Since then, the institution has grown step by step including Science faculty in 1985, and additions in the Science faculty and in the Arts faculty and Post Graduate in 1995 and thus, presently, it has multiple faculties in a true sense. As on today, the institution is one among many educational institutions in the Tehsil. However, this veteran institution, **Seth Narsingdas Mor College of Arts & Commerce & Smt. Godavaridevi Saraf Science College, Tumsar- 441912**, has not lost its glory; still, it is a leading institution, and grants admission to one and all, but, at times, on merit basis. To verify the actuality of our development, the NAAC PEER TEAM visited our college for the first time in the year 1999, the second time, on 20th of October, 2012. The result was, we were awarded with “**B**” Grade with CGPA 2.79 on 05th January, 2013 and the third time (the current cycle), we have been awarded Grade ‘**B**’ CGPA 2.07. Our accreditation is for the period from 14 February, 2020 to 13 February, 2025.

Subsequent to NAAC Re-Accreditation, we have reconstituted the IQAC Committee, which sets standard, and verifies the development in various aspects of the institution. The activities /programmes organized in the college are keeping focus on the institute’s vision - “**To promote education by establishing and conducting institutions for the development of personality of the individual in all its aspects – physical, intellectual and moral, and thereby, making him a useful member of society.**”

Covid 19 Pandemic wrecked havoc in the entire world. Including others, all financial and academic activities came to standstill. However, we proudly proclaim that our college fulfilled duty by imparting online education and organizing online/offline extracurricular and academic events, celebrating national/international days. The events/ programmes/ vision and everything about the college are reported in detail under different heads on the college website <https://www.snmorcollege.org.in/>
