REPORT ON "FIELD WORKSHOP ON PLANT IDENTIFICATION AND HERBARIUM PREPARATION"

One day field Workshop on Plant Identification and Herbarium Preparation was organized at Kharbi village grassland area on 21st November, 2022. In the workshop Seventy six (76) students of B. Sc. Semester -III were participated. During workshop, Botany department taxonomy expert Dr. J. V. Gadpayale, Assistant Professor, made introductory remarks on the workshop. He explained the importance of Plant Identification and Herbarium Preparation in the field of Science and technology and specially plant exploration in the subject botany.

The workshop was began with the collection of plant species from the visit study area, after plant collection, Dr. Gadpayale explained how to identify the plants. Once plants are identified then, in next turn, he has given hands on training to the participating students on how to prepare herbarium sheet of identified plant specimens and how to write the valid classification on the herbarium sheet. Participating students underwent hands on training and got skills in plant herbarium preparation.

The successful organization of such workshop was possible due to the collective efforts of Dr. K. N. Sathawane, (HOD), Shri. D. P. Khobragade, Dr. J. V. Gadpayale and Smt. R. T. Sawarkar (Lab Attendant) and the students. The collected plants and prepared plant herbarium sheets were submitted to the department of Botany by the students for their practical utility.

On behalf of Botany department, Dr. K. N. Sathawane extended vote of thanks to all the participating students, Dr. J.V. Gadpayale for his efforts and the Principal of college for necessary help provided at different levels for the successful organization of workshop.
