The Alumni happy with environment (64% very good), Alumni are also very happy with admission procedure (56 very good), Infrastructure and Lab facilities of the college and shows their very good rating for faculty of the college (excellent 44% and very good 48%). They show their experiences and availability of books through the Excellent (56%) rating for Library. Most of the alumni shows their very good learning experience and their courses were relevant with their jobs. They recollect the friendly teachers and homely atmosphere of the college. The rating of the college is increased in compared to earlier feedbacks and this is due to action taken by the college about the location and quality of the goods on canteen. Overall rating of the college is very good (60%).

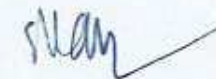

### Suggestions to college/IQAC:

The following suggestions can be deduced from the analysis of alumni feedback for the "actions to be taken"

1. Most of the alumni are not happy with fee structure of the college **but it is governed by the university and state govt.** The administration of college should take some action in connection with support services, training and placement and academic environment. Campus should have WI-FI connectivity.
2. For this session (2017-18) feedback, alumni think that the Training and placement department should be improved.
3. For excellent **learning experience (very good 76%)**, teachers have to include modern teaching aids in teaching. They should start preparing power point presentation and other innovative teaching aids to stimulate the students for better understanding. The college administration is further hereby suggested to make smart board and LCD equipped classrooms since present facilities do not fulfill the needs in this regard.
