Good Responses:

The Alumni feel happy with the learning experience (72% very good), Alumni are also very happy with admission procedure (44% very good), Infrastructure and Lab facilities of the college and shows their very good rating for faculty of the college (excellent 32% and very good 48%). They show their experiences and availability of books through the Excellent (52%) rating for Library. Most of the alumni shows their very good Learning experience and their courses were relevant with their jobs (72% very good). They recollect the friendly teachers and homely atmosphere of the college. For this session, most of the alumni are little bit happy with fee structure of the college & it observed from increased rating. This is due to some actions taken for meritorious students. Overall rating of the college is increased & put in a very good position (68%).

Suggestions to college/IQAC:

The following suggestions are recommends by the alumni through their feedback for the “actions to be taken”

1. The Training and placement cell should be developed. The number of girl students is increasing year by year & hence the girl's common room should be properly maintained.
2. Teachers should start preparing power point presentation and other innovative teaching aids to stimulate the students for better understanding and improvement in teaching & learning section to change the rating from very good to excellent. The college administration is further hereby suggested to make smart board and LCD equipped classrooms since present facilities do not fulfill the needs in this regard.
