

Feedback - Suggestions & ATR 2021-22

Students Feedback – Analysis-

1. All the students of college rated very good response for Communication skill and Interest generated by the teachers, the Accessibility of the teacher in and out of the class (includes availability of the teacher to motivate outside class discussion), and sincerity & commitment of the teacher
2. For the Ability to design quizzers/ examinations/ assignments/ projects/ to test understanding of the course and Ability to integrated content with other courses of teacher students expect more hence they gives above 60 % good rates and only 36-40 % for very good.
3. Provision of sufficient timely feedback, sincerity and commitment and for overall rating of all teachers' scores 73.33 % as very good ratings but it needs to be above 90%.

ATR –Due to Covid 19 pandemic impact, teaching was imparted through online mode. There was a little personal contact with students. However, teachers were instructed to impart teaching timely and as per the requirements and expectations of students.

Teachers Feedback- Analysis-

Teachers are of the opinion that our university syllabus for the various faculty is in very good grade in all concern parameters except the use of syllabus for the employment and entrepreneurship development with 3.9 % faculty members are not satisfactory.

ATR - Through BoS members, it will be tried to make the syllabus more employment and entrepreneurship oriented.

Employers' Feedback Analysis-

- (i) Communication skills to be developed.
- (ii) Activities to improve different types of skills in students.

ATR- The suggestions were discussed thoroughly, the matter was deliberated upon in the staff council meeting. Teachers showed their resolve to endeavour to develop Communication skills and organize many more activities to improve different types of skills in students.

Alumni Feedback Analysis :

1. The Training and placement cell should be developed.
2. Teachers should start preparing power point presentation and other innovative teaching aids to stimulate the students for better understanding and improvement in teaching & learning section to change the rating from very good to excellent.
3. The college administration is further hereby suggested to make smart board and LCD equipped classrooms since present facilities do not fulfill the needs in this regard.
